

AP Physics C Information Questionnaire

Name:

Grade:

Please answer these questions completely, but succinctly. **Be honest.** Thanks.

1. What is your favorite book, and why?
2. Who is your favorite scientist, and why?
3. What was your last math class, and what was your grade?
4. Who was your Honors or AP Physics teacher, and what was your grade?
5. What classes are you taking this year?
6. What are your previous AP classes and scores?
7. What is the top college that you hope to attend?
8. What major do you plan on studying in college?
9. What career do you envision for yourself?
10. Why are you taking AP Physics C?
11. Did you turn in a AP Course Request to me during Course Registration?
If not, why did you sign up for the course late or waiver in?
